

Burnt Out In Biscuit Land – COVID Safety Information

The following COVID related access provisions will be in place for every performance of Burnt Out In Biscuit Land:

- **The Performance Space:** Seating availability will be lower level than normal for the venue to help maintain social distancing. There will be clear routes in and out of the main performance space. An [access video](#) shows the space you can expect at Bridlington Spa.
- **Cleaning:** The main performance space will be cleaned before the audience arrives.
- **Seating:** A range of different seating options will be available, including foam flooring, mats, beanbags, and chairs. Some socially distanced seating options will also be available. Please contact us if this is something you require.
- **Non-Physical Participation:** The entire show will be available for live streaming at home. In person audience members will be invited to switch to this option if they are unwell on the day, to help protect others.
- **Mask Wearing:** Mask wearing won't be enforced at the performance, but we will provide free masks for anyone who would like one.
- **Staffing:** All staff and volunteers will be asked to remain at home on performance days if they feel unwell. Staff who are unwell will not attend but will still get paid.

If you have any questions about the show or would like to discuss your access requirements, please contact us.
