

Equal Opportunities Form

ARCADE is committed to ensuring everyone has access to opportunities.

We want to work with a diverse range of people with different lived experiences, not just people we know and or people like our core team. We see diversity of experience and background as an asset to our organisation.

It's really useful for us to know a bit about you so that we can see who we are reaching when we send out opportunities. It will help us understand what work we need to do.

This form is anonymised and we will store the information, rather than the form itself. We will not give your form to any other company. We will use the information to monitor who applies to us, and to help us develop our policies and actions around diversity and inclusion.

Submitting this form means you give your consent for us to use your data in accordance with the Data Protection Act 1998.

You may omit parts of the form if you prefer.
