BE PART OF THE MAGIC!

We're looking for volunteers to join SPRITES this December!

Would you like to be part of something a little bit magical this Christmas?

This December, *Sprites*, a brand-new family show, is coming to Scarborough Library, and we're looking for enthusiastic volunteers to help make the experience special for everyone who visits.

Featuring storytelling, puppetry, music and plenty of surprises, *Sprites* welcomes children aged 4–9 and their families into a magical hidden world. After the performance, families can continue their adventure in our creative craft den.

And we'd love you to be part of it!

What will you be doing?

Our volunteers will help support two important areas of the production:

Front of House & Audience Experience

- Welcoming families and creating a friendly, inclusive atmosphere.
- Helping audiences find their way and answering questions.
- Supporting the smooth running of performances.
- Ensuring visitors feel comfortable, supported and welcome.

Creative Activities & Family Engagement

- Helping to set up and facilitate fun, accessible craft activities.
- Supporting children and families as they explore their creativity.
- Encouraging participation, imagination and play.
- Helping to keep the craft den organised, safe and welcoming.

Who are we looking for?

People from all walks of life!

Whether you're a student interested in gaining experience, a creative person, someone who loves theatre, someone looking to meet new people or simply someone who wants to give something back to the community, we'd love to hear from you.

You don't need previous theatre or volunteering experience.

We're looking for people who are:

- Friendly, approachable and enthusiastic.
- Reliable and happy to work as part of a team.
- Patient, encouraging and welcoming to families.
- Willing to get involved and learn new skills.
- Able to attend a training event before the professional run begins.
- Aged 18+

We will need to DBS check any volunteers.

ARCADE has safeguarding policies and procedures in place, and all volunteers will be expected to follow these while supporting the production.

What will you gain?

Volunteering with ***Sprites*** is a chance to:

- Be part of a professional theatre production.
- Gain practical experience in arts, events, front of house and creative facilitation.
- Meet new people and become part of a welcoming creative team.
- Develop confidence, communication and teamwork skills.
- Help bring an accessible cultural experience to local children and families.

Above all, you'll be helping to create a little magic in your community!

When and where?

Location: Scarborough Library

Performance dates: 12–23 December 2026, day times

Volunteering commitment: Flexible!

You can volunteer for individual sessions, several performances or the full run of the show, depending on your availability.

All volunteers will need to be willing to attend a **pre-show training event** to help them feel confident, prepared and supported in their roles.

Interested? We'd love to hear from you!

You don't need to be an actor, an artist or have any previous experience. Just bring your enthusiasm, a willingness to learn and a desire to help make something special happen.

We have 10 volunteer opportunities available, and we'd love you to join us!
